

Jasper Display Corp. to exhibit at OPTO Taiwan 2019

Jasper Display Corp. (JDC) will exhibit at OPTO TAIWAN 2019, co-organized by Photonics Industry & Technology Development Association (PIDA) and other industry leaders. Since 1984, OPTO Taiwan has been the annual event for both the photonics and mechanical industries in Taiwan.

JDC will demonstrate the Education Kit (EDK), combined LCoS-SLM with micro LED panel source projector. Along with digital modulations, advanced silicon backplane technologies, and a live demo of Micro LED display.

Date: 16 October – 18 October 2019

Venue: Taipei World Trade Center (TWTC), Nangang Exhibition Hall, Taiwan

Booth Number: M713
